Woodgrain Doors

Woodgrain Doors is one of the worlds largest manufacturers and suppliers of wood stile and rail doors. Woodgrain Doors is committed to innovation through continuous improvements in manufacturing, investment in design, best-quality craftsmanship, and the use of the highest quality raw materials to build doors that are as durable as they are beautiful.

Why do Business with Woodgrain?

Woodgrain Distribution is a logistics company dedicated to delivering “best in class” service and millwork products to our customers at the lowest total cost of ownership, when they want it, and where they want it. The Woodgrain organization has over 55 years of experience in millwork supply. This experience along with the investments made in technology, talent, training, facilities, and network volume density allow customers to receive efficient, reliable, and consistent value from Woodgrain Distribution.

The Woodgrain Distribution product sourcing strategy using our own international and domestic mills as well as contractual relationships with suppliers around the world, gives our customers security of supply as well as variable lead time options. Our goal is to provide customized solutions for the product mix and service options our customers are looking for at the lowest total cost of ownership.
